QUALITY POLICY

“Supreme Engineering Limited” will continually improve its products and services by supplying Quality Coils, Bars and Profile sections to satisfy the needs of its customers. We would deliver our valued customers defect free products and services “ON TIME” for their satisfaction.

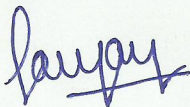

We are committed to maintain an effective “Quality Management System” through the active involvement of all employees.

We will comply with all statutory, safety and environmental regulations to ensure the safety of our employees and to discharge our responsibility to society.

Our philosophy of continual improvement relies on an intensive training program which emphasizes the employee’s direct involvement. Our aim is to respond to our customers ever changing needs in the most cost-effective way.

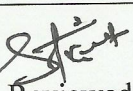

We are committed to fulfill needs and expectations of interested parties and review our internal and external issues.
